

REMARKS

Per the Applicants interview of June 19, 2007 with the Examiner, the 35 U.S.C. § 101 rejections are to be withdrawn by the Examiner. Claims 1-16, 20-22, and 59-61 are believed to be allowable as currently written. Claims 23-43, 47-53, and 58 directed to a system are also believed to be allowable as currently written as the system currently comprises functional elements in conjunction with a machine readable medium for performing the steps recited in claim 1. Each of claims 1-16, 20-53, and 59-61 each recite a machine readable mediums providing a beneficial result or effect as recited in the Abstract and paragraphs [0076] and the paragraphs that follow, for example.

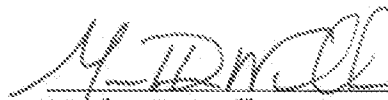

Replacement drawings are submitted herewith. The Applicant believes the Examiner intended to object to '648' of Fig. 21 as opposed to '648' in Fig. 24. Thus, the applicant has submitted a replacement sheet for Fig. 21 in addition to the others objected to.

Should any residual matters be left to be resolved, the Examiner is invited to contact the undersigned agent at 714.708.6527 (office) or 949.331.7330 (mobile) at her convenience.

The Director is authorized to charge any additional fee(s) or any underpayment of fee(s), or to credit any overpayments to **Deposit Account Number 50-2638**. Please ensure that Attorney Docket Number 075997.010100 is referred to when charging any payments or credits for this case.

Respectfully submitted,

Date: June 19, 2007
